Congratulations Amelia Charman – CDC Dancer of the Year 2019

Massive well done to Amelia, who's dancing has gone from strength to strength over the last 12 months, it's been a pleasure to watch her grow in confidence & support her development as a dancer, since she joined over 8 years ago. Can't wait to see what comes next from you!

When we reopen after the summer holidays (week commencing 2/9/19) we will be presenting Amelia & all previous Dancers of the Year with their own replica award, with the main trophy being held on display at the studios

Holiday Skills Photo Competition

We've loved receiving 120 + photos from over 50 of our fabulous dancers over the summer holidays, showcasing their talents and drilling their skills in weird, wonderful & wacky places! Everyone who entered gets some CDC merch

And the Winner Is...

Ayda! We especially loved how she mimicked her Stateside surroundings with her fabulous Acro skills

Well done Ayda – choose your prize from the CDC uniform store!
