

CDC DANCE SQUAD!

Providing exciting opportunities for talented, hardworking, team performers

SQUAD! requires a different level of commitment. All members & parents must be ready to commit the time, effort & discipline to make our collective efforts rewarding. All members must be taking at least multi-discipline classes exclusively with CDC Dance. Timekeeping and attendance should be excellent. The desires to work hard & achieve great things are prerequisites

What Do We Do?

SQUAD! is our elite team of dancers who

- Are fast tracked;
- Perform more often;
- Compete in dance festivals;
- Attend auditions for TV, local productions, and vocational schools/colleges;
- Progress their amateur dancing careers further, many into professions.

SQUAD! has enjoyed success, and more importantly, had a great time, performing, competing & taking workshops with some of the UK's best known dancers & choreographers at an array of events such as 'Can You Dance?' convention in Worcester, 'Chance2Dance' at Birmingham Hippodrome, Alton Towers and Drayton Manor (including park access tickets), IDTA area meetings, 'Future Starz' at the Belgrade Theatre in Coventry, 'Dance Caper' in Leicester. We've entered & placed at competitions locally, regionally and nationally, and enjoyed weekends away with our supportive families, doing what we love!

Our **SQUAD!** take additional team-based exams & will perform more routines at our charity showcases, next one being our ICONS show at The Rep Theatre 21/3/20
