Renew Membership for 2020 via Customer Portal

<https://www.cdcdance.co.uk/membership>

December is time to renew membership for 2020 through our new **customer portal**, giving you complete access to your & your child's details via a **free smart phone app** or on your computer. Click on the link sent by email, or access via the CDC Dance website above.

You will have visibility & control of your direct debit, all invoices/receipts, be able to notify us if your child can't make class, and crucially be able to provide all necessary info and consents required to renew membership for 2020, **essential for students in ALL CLASSES**, but the info will also be shared with the Council when applying for performance licences/exemptions for the show.

The £16 membership fee will be collected via DD.

'ICONIC' Charity Showcase The Rep Theatre 21/03/20

So excited for this – let's make it our biggest & best show to date, raising more for **Birmingham Children's Hospital** than ever before!

All dancers from Tiddlers upwards are invited to be in the show – membership must be renewed now for performance licences/exemptions

Shout out for **backstage chaperones**: we need more than ever before, DBS cleared (we can run the checks if needed) helpers who can support the dancers at the dress rehearsal & the show. **Get in touch ASAP** if you have volunteers for us

To keep costs to a minimum, we will be **hiring costumes** wherever possible

For the finale we will have commemorative T shirts with everyone's name on the back, which will be worn with CDC Dance branded leggings – see newsletter regarding uniform

New Uniform for Younger Dancers

As of January 2020, we are phasing out the blue uniform, currently worn by younger dancers

Tiddlers, Infants & Juniors will start to wear black sleeveless leotard & skirt, which can be bought on the CDC Dance My Dance Store:

<https://cdc.mydancestore.co.uk/tiddlers-infants-juniors-girls/uniform.html>

These can be worn by themselves, or teamed with the CDC Dance black leggings: <https://www.cdcdance.co.uk/shop> All dancers will be wearing the CDC leggings in the finale of the show

Like older dancers, younger girls also have the option to wear either the CDC crop top or vest with the branded leggings in class, however the black leotard and skirt are the essential uniform, and what must be worn for taking tap and ballet exams

Dancers are fine to continue to wear the blue uniform until parents are ready to replace
