## NEWSLETTER

### IDTA Exams

Massive WELL DONE to all who entered IDTA exams last term

We should receive the results early May & will hold displays of the exam work, followed by awards presentations in usual class sessions later in May.

Details will be forwarded ASAP once the results are in!

I'll be in touch shortly if your child is ready to move up

### CanDo ALN/SEN Classes Launch

The teaching team has loved gaining new qualifications with **CanDo Hub**

We can't wait to launch accessible classes for kids and adults with additional learning needs, as well as improving inclusion in our current timetable

Details will be announced soon & the new classes launch after May half term

# New Term - New Opportunities

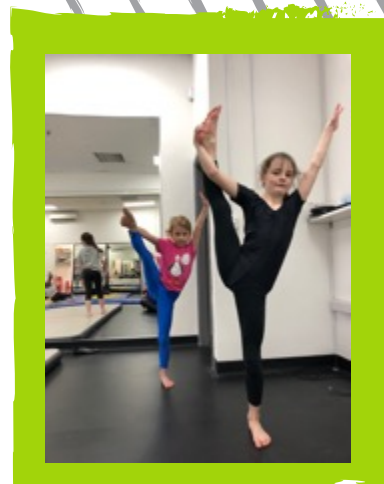

## NEW Acrobatic Arts Session

Our Monday Acro sessions have been a runaway success & it is now time to split the current 5-6pm group & start an additional 6-7pm session

The new class will start on **Mon 6<sup>th</sup> May** & will be suitable for those dancers who, as a minimum, can do:

- bridge from standing;
- one handed cartwheel;
- handstand against the wall unsupported

This means there are places available in all our Acro classes – Get in touch now to secure your child's place!

## SQUAD! Auditions – Weds 8<sup>th</sup> May

We're expanding SQUAD! with the introduction of a NEW junior team!

If your child is aged 7 or over and is keen to try out for our competition SQUAD! and access opportunities such as competing in **Mirfield Festival** in June and performing at **Chance2Dance at Blackpool Opera House** late November – make sure you make their interest known!

## Home Educated & KHPS From September 2019 Friday Afternoon 6 Week Workshops

Following discussion with parents of pupils who attend KHPS, we're launching our proposed daytime sessions for children who are home-schooled in September 2019, on Friday afternoons, so it will also work for the children who will be in school 4.5 days.

We will provide a collection service from KHPS & the sessions will follow themed 6-week programs to match LEA half terms. Each session will major in dance and acro but also include a classroom style research and creative section & make use of the technology we have at the studios including the sound system and big screen projection equipment. We'll finish each 6-week course with a showcase of our work.

Let us know ASAP if you are interested in these sessions & spread the word!
